01 · ABOUT AZTS

Full-fledged facilities management, on a **comprehensive basis.**

AZTS takes an innovative approach in handling corporate clients by providing full fledge facilities management services on comprehensive basis, whether it is civil, MEP or office fit outs and execution of all types of interior set-up.

Our services are varied depending upon the property: residential apartments, villas, commercial premises or individual entities. We do everything as one step solution for our clientele, strictly adhering to international standard procedure with cost effective solutions.

A strong and dedicated team of experienced engineers and technicians always tries to restore the facility with job precision and durability on a long-term basis.

We always strive to achieve client satisfaction through services that support the facility over the long term, and to continue long-term relations with every client.

MISSION

Dedicated team to provide innovative and cost effective solution.

PROMISE

We always strive to keep the spirit alive by providing the best solution.

You stay involved, **from survey to handover.**

AZTS always tries to brief its clientele interactively and involve them in job proceedings, so that they understand the concept fully and are satisfied with the solution applied.

01

Site survey & brief

Our engineers inspect the property and brief you on the issues and the proposed solution.

02

Clear proposal

A cost effective scope and quotation built around your requirement.

03

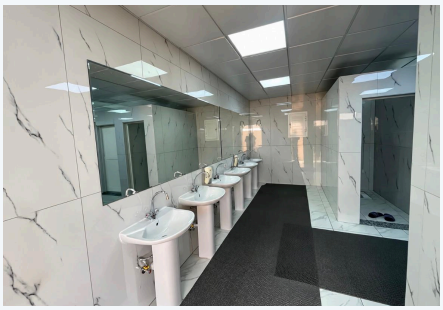

Execution

Our own engineers and technicians carry out the work, with you involved in job proceedings.

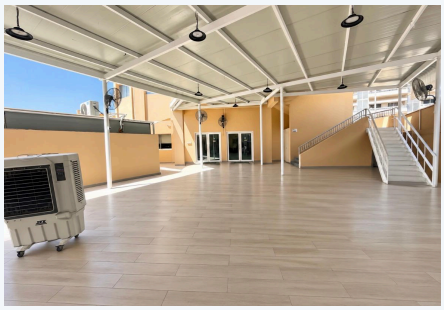

04

Handover & care

Quality checks, handover and maintenance support on a long-term basis.

We **specialise** in

01

Interior Fit-out

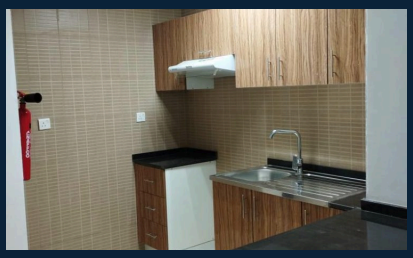

Offices, retail and residential interiors: gypsum, partitions, ceilings, flooring, MEP and finishes.

02

External Building Repair & Painting

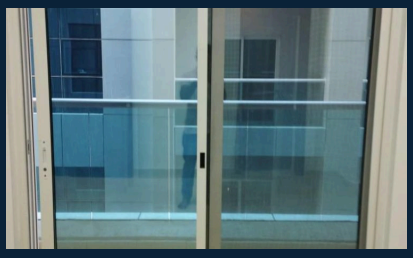

Concrete repair, crack and joint treatment, and complete external paint systems for towers, villas and compounds.

03

Building Refurbishment

Whole-unit and whole-building upgrades for handover, re-leasing and occupied properties.

04

Aluminium & Glass

Windows, doors, shopfronts, partitions and glazing.

05

Joinery

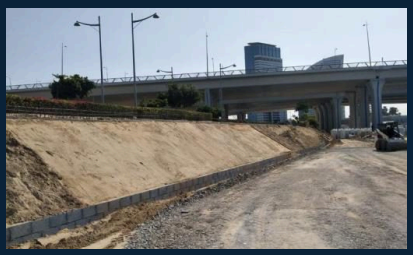

Doors, kitchens, wardrobes, gazebos and custom carpentry, including wood flooring.

06

Structural Repair

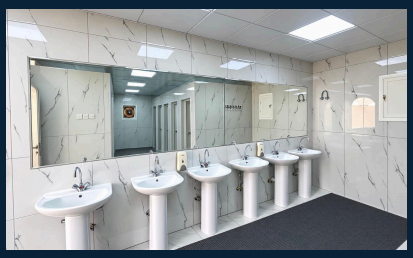

Spalling concrete, corroded steel replacement, soffit slabs and parapet walls.

07

Interlock Works

Interlock paving, kerbstones and external hardscape.

08

Renovation Work

Bathrooms, kitchens and common areas brought back to standard.

09

Waterproofing

Roofs, wet areas, sandwich-panel roofs, stormwater lines and expansion joints.

10

General Maintenance

Civil, MEP and HVAC maintenance for residential and commercial portfolios.

CIVIL & SPORTS · DUBAI FESTIVAL CITY

Marsa Chaps Sports Facility

CLIENT	DURATION	VALUE
Al-Futtaim Group Real Estate & Dubai Festival City	60 days · Jan to Feb 2023	AED 2,500,000

Completed within two months, the project transformed an empty plot of land into a vibrant sports facility: 2 football courts, 2 basketball courts, 5 padel courts, a children's play area and a walking track.

Stage 1 · Land preparation

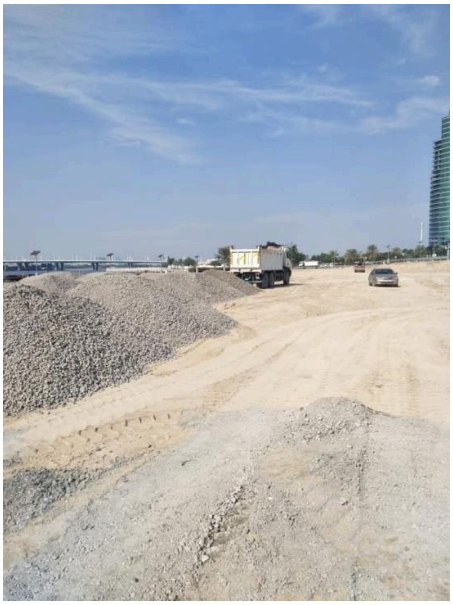

Levelled the plot, compacted the soil and filled the area with road base.

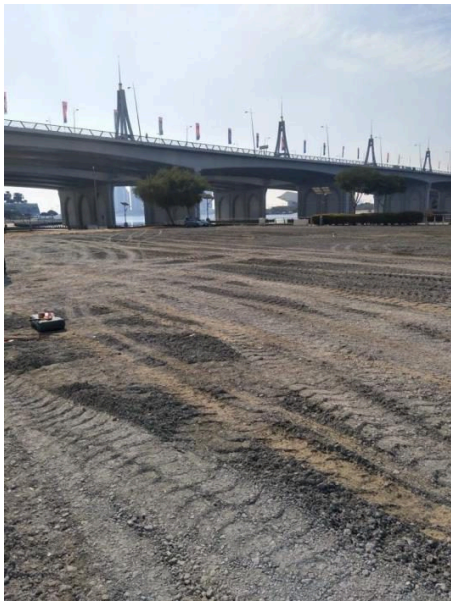

Stage 2 · Retaining walls

Retaining walls to define the landscape and slope concrete for safe access.

Stage 3 · Courts & services

Jogging tracks, kerbstones, 20cm RCC court slabs, lighting, drainage and post foundations.

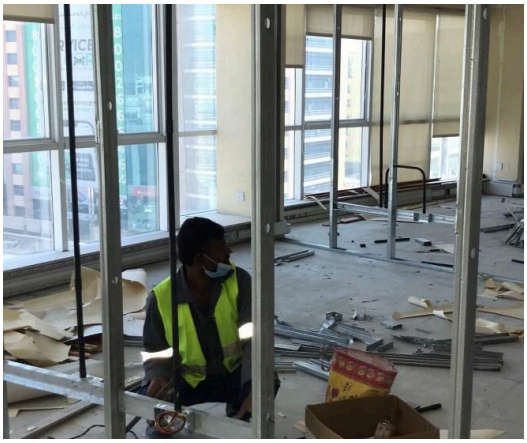

WATERPROOFING · JUMA AL MAJID GROUP

Bathroom Waterproofing Restoration, Al Quoz & Muhaisnah

AED 2,100,000 Sep 2022 to Sep 2023

G+2 buildings, 30 years old: rectified leakage and repaired RCC slab damage caused by leakage.

- Floor preparation for 65 bathrooms and 65 kitchens
- New waterproofing, floor tiles and plumbing fixtures
- Structural repair of soffit slabs

OFFICE FIT-OUT · AL NABOODAH REAL ESTATE

Reinstatement & Fit-out of 11 DIB Offices, Al Shoala Building

AED 462,052 40 days · Feb to Apr 2023

Converted the 8th floor of the building into 11 separate office units, adding flexibility for new tenants and improving the building's appeal.

- Demolition, gypsum and carpentry
- Restoration of bathrooms and kitchens, flooring
- Electrical, fire fighting and AC works

REPAIR & PAINTING · JUMA AL MAJID GROUP

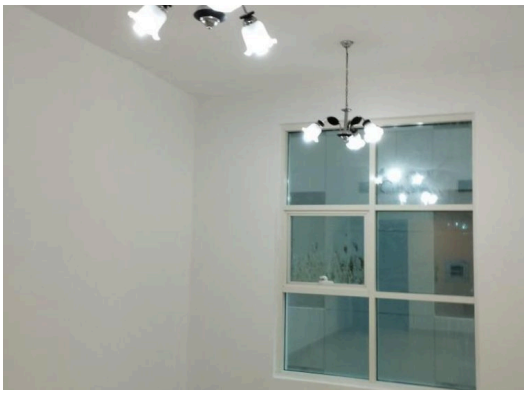

External Repair & Painting, JAM Buildings, Bur Dubai

AED 712,293 70 days · Jul to Sep 2023

External repair and painting of five G+3 and G+5 buildings, including Al Hamriya and Al Karama.

- DM approvals
- Structural repair: spalling removal, zinc-rich primer, steel replacement, repair mortar
- Acrylic primer, texture and 2 coats Jotun Jotashield
- Expansion joints with FOSROC Nitoseal PU40

REFURBISHMENT · AQAAR PROPERTIES

Maintenance of 160 Apartments, City Tower Ajman

AED 1,200,000 May to Sep 2023

Refurbishment of 160 newly sold one- and two-bedroom apartments as per each owner's requirement.

- Civil: carpentry, painting, gypsum and ceilings
- MEP: lights, electrical fittings and plumbing accessories
- HVAC servicing and rectification

WATERPROOFING & STRUCTURAL · AQAAR PROPERTIES

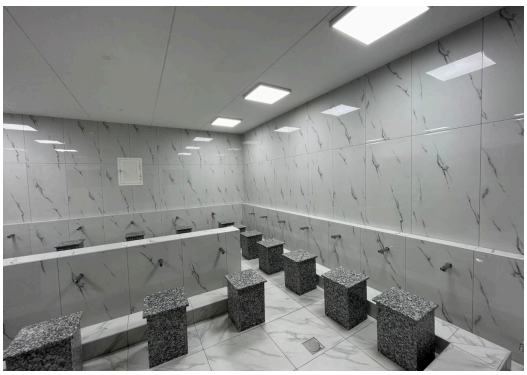

Roof Waterproofing & Concrete Repair, Towers A5, A8, B1 & B2

AED 750,000 Jan to Feb 2023

Replacement of roof waterproofing and rainwater lines, and structural repair of parapet walls, for G+25 residential towers in Ajman.

- Roof waterproofing (A5, A8 & B2)
- Stormwater works (A5, A8 & B2)
- Parapet wall and external civil rectification

INTERIOR FIT-OUT · RECENT PROJECT

Mosque Prayer Hall & Ablution Refurbishment

Complete interior refurbishment: prayer halls with new lighting, ceilings and carpeting, a marble-clad ablution area, washrooms and a shaded courtyard.

- Gypsum ceilings with cove and recessed lighting
- Marble-effect wall and floor tiling
- Ablution area, washroom cubicles and vanities
- Prayer-hall carpeting, shade structure and outdoor flooring

Completed **painting projects**

External and internal painting for towers, villa compounds, schools and labour accommodation.
